FROM THE EDITORS DESK

Happy New Year everybody!

A slightly different format for the newsletter this month – as we want to congratulate the winners and place-getters from the World Cup Qualifier Show and the Ho Ho Christmas Show. We'll return to our usual format next month. Meanwhile, please make note of the upcoming events and get your entry forms in.

As for me, I'm getting a little bit of work done on my truck from one of Tonimbuk's sponsors, **Transmend Panels**. I won't be able to get out and about in January, but will be back on the road in February. I look forward to seeing you then.

Cheers!

PRESIDENTS RAMBLINGS

Well another 12 months has passed and I hope you all had a wonderful Christmas and New Year. Looking ahead, we have a new TEC committee and hopefully a renewed energy to take our great club forward. There are a number of ideas and suggestions in the pipe line so watch this space. But of course your feedback is always welcome as is your support in any event we may plan to run.

It would be great to see more of our membership attend training days given we offer such a variety of instructors and activities so do come along if you can to meet your fellow members. It's an enjoyable outing for you and your horse and I would like to meet you to. See you on January 22nd!

I wish you a happy 2011 and may you and your four legged companion achieve whatever it is you aspire to during the year. And remember, if you are out and about, put your fingers to the key board afterwards and write a short article for inclusion in our newsletter. Our editor will be delighted to publish it for you. Pictures are always really good to.

Cheers

Helen Ward

VICTORIAN MASTERS GAMES

For the old farts 35 years plus, the Victorian Masters Games is being held at WPNEC from 28th - 30th January. This is a fabulous event! It's a friendly, fun and supportive environment and great competition. I'd encourage everyone who's eligible (ie. old) to give it a go.

Fun and laughter and of course serious competition in riding, jumping, dressage, combined training and working horse classes will make for a great three days and the Friday night barbeque with music and a demonstration and explanation of the fast sport of reining by champion rider David Norbury makes for an event not to be missed.

Provisional Timetable (Subject to Change)

Friday – Combined Training & Show Horse Classes

Saturday – Dressage & Working Horse Classes
